KORYPHEUS

1. Pavillion, France

«KORYPHEUS has great potential as this record proves. The discovery is interesting to say the least. It is indeed a promising group which definitively deserves attention.»

2. Street Compass, Germany

In addition to the philosophical reflections on mythology and mysticism, KORYPHEUS encounter their cosmos, which is shaped by OBSCURA and GPETH, by MASTODON and GOJIRA as well as DEVIN TOWNSEND.

3. Scrutt Magazine, Sweden

«If you like a little complicated metal, this is definitely something for you and then I mean metal that does not sound like everything else!»

4. HellonLyne blog

«Korypheus distils a metal mixing clear voice and extreme voice with metalcore, alternative metal and Death plans. The whole forms an album whose titles follow one another in a limpid way, alternating calm planes and violent flights. A beautiful album that allows us to experience confinement in a pleasant way.»

5. Les Eternels, France

«Over the Rainbow offers everything a first album can offer: variety, power, emotion, freshness, technique, good vocals and alchemy between each member. Korypheus hits hard for this first work. Give us the rest, quickly!»

KORYPHEUS

6. Among the Living magazine, France

«In just 40 minutes for an intense and intense journey, the Ukrainians from KORYPHEUS gave us with this Over The Rainbow a top quality record that heralds a promising future».

7. Rock Metal Mag, France

«Above the Rainbow, as seen on the cover, is an astonishing initial journey through the varied and attractive realms of Korypheus».

8. French-metal.com

«Let's emphasize the origin of the formation - Ukraine (this is not only Jinjer hehe). And let's be happy that such groups are reaching our ears more and more easily. This one deserves the attention of fans of the genre».

9. BGP Music Life, France

«About this opus by Korypheus will speak with respect, as about an album that needs to be opened urgently!!!!»

10. Place de Libraires

«Young Ukrainian formation delivering a modern prog metal, powerful and sometimes accompanied by extreme vocals, KORYPHEUS knows how to play, knows how to compose and has all of a great future».

DAILY METAL

KOROPHEUS

11. Blastpheme, France

● «To put all that in a box the group was right to take care of its mixing: the sound is professional, efficient, and does justice to the composition. So the M&O label has had flair with a group that should not be missed, and that also applies to you, dear readers. Don't miss this album».

● The album is in rotation and in hit-parades on French, Ukrainian and European radios, e.g. RADIC ROCKS, Tapage Nocturne, Heavy1 and about 80 others.

● Currently Korypheus is preparing for the shooting of the music clip for Goliath, to be filmed in January. In April Korypheus is about to go on the Ukrainian tour supporting Tarja Turunen.

Korypheus has been shortlisted for the annual Best Ukrainian Metal Act Nomination. The ceremony will be held on the 22nd of December.
